Profile

Czarek (pronounced Cha-reck) holds a Bachelor of Laws and Bachelor of Commerce (Double Major in Accounting and Finance) from the University of Western Australia. He is a qualified and registered lawyer with close to 20 years' experience in dealing with complex contractual and commercial issues. Czarek has developed a thorough understanding of the commercial challenges faced by parties operating in the construction industry.

Prior to becoming a Director of Neuplan, Czarek held the following roles:

- State Commercial Manager of the WA Construction Division at a top tier Contractor
- Legal Counsel at a top tier Australian contractor
- Private practice lawyer (based in Perth, WA)

Czarek has extensive experience in:

- Head contract preparation, reviews and negotiation
- Head contract administration and claim preparation
- Construction Contracts Act 2004 (WA) adjudications
- Managing teams of contract administrators
- Procurement and subcontractor management
- Revenue and cost control
- Insurance
- Risk identification and mitigation
- Dispute resolution
